Pradipta Dolai

has successfully completed the online Professional Certificate

Microsoft Azure AI in Healthcare

By completing this certification program, you will demonstrate the ability to design, implement, and evaluate Azure AI solutions that support clinical workflows and healthcare operations. You will create automation pipelines for documentation, build predictive and diagnostic models, apply responsible AI practices, and ensure compliance within healthcare environments. You gain hands-on experience using Azure AI services, real-world project artifacts, and skills aligned to emerging roles in healthcare technology and digital transformation.
